- RC out to iTV system

PHILIPS

50" Widescreen Plasma FlatTV™ HDTV Monitor

Picture Quality

High Definition Plasma Technology

Resolution of 1365x768 supports all of today's High Definition sources.

Brightness 550 cd/m² (nits)

The high light output of this PDP Plasma FlatTV™ delivers exceptional detail even in well lit rooms.

Contrast Ratio 1000 to 1

Higher Contrast delivers increased depth to the picture, resulting in greater dimensionality (more 3D or life-like). In addition, the greater contrast delivers a picture that is far less washed out in appearance.

- Video standards: NTSC 3.58 (M), NTSC 4.43, PAL4.43 (B, G, D, H, I, N), PAL 3.58 (M, N), SECAM
- 16:9 Widescreen format
- 5 level Auto Picturetm: (Soft, natural, rich, personal, and multimedia)
- Tri-mode Tint control
- Anti Reflective (non-glare) screen
- Viewing Angle: 160 degrees

RC_U_039

Ease of Use

Flat, Slim, and Wide Design

At 4 inches thick, this FlatTV™ offers more screen in less space than ever before.

Fanless Design

No fan noise to distract during those quieter moments in the Video.
