There is only two words to describe the New SVA Plasma " High-End
The 42-inch (HD4208TIII-PDP) HD Plasma TV combines stylish desi
with the excitement of HDTV compatibility (1080i), integrated Home
Theater audio, with built-in TV tuner, a futuristic developed panel,
widescreen viewing, high brightness, wall mountable compatibility a
superior contrast ratio (700:1). Additionally, this plasma television I
true native 852 x 480 resolution with a 16:9 aspect ratio, Progressi
scan, and 160 degree viewing angles.

The elegant design of the HD4208TIII-PDP enhances the decor of li
rooms, network control rooms and will be the envy of all high-tech I
theaters. The products' distinguished separate AVC (Audio, Video ar
Computer) system – holds all inputs and outputs, and a PC connect
reducing the cables around the panel itself. At just about three inch
deep, this Plasma TV can be wall-mounted or placed on a table utili
the included sleek custom designed stand.

The SVA HD4208TIII-PDP model is compatible with existing optional mount brackets, providing seamless wall-mount installation and making it the obvious choice for High-Tech Home Theater systems, Network Control Rooms, Meeting Rooms, Executive Offices, Corporate Lobbies, Updateable Signage and Video Conferencing .
